

MEMBERS EXPERIENCE MOTHER'S DAY MILITARY FAMILY REUNIONS!

Fitness Stylz instructor Leslie Bull and Fitness Stylz members Tom and Sheila Couture are celebrating the return of their sons from US military tours in Iraq! All three were able to visit briefly with their sons at the Bangor International Airport, which serves as a hub for returning and departing troops from all branches of the military.

Leslie's son, SSGT Mike Williamson (bottom left), returned on Thursday, May 8th.

"I got my Mother's Day present three days early," Leslie said.

Sheila received her birthday present right on time. On May 12th, which happens to be her birthday, her son, PFC Nathanael Couture, (top left) was back on American soil.

Both moms (and dad Tom!) are thrilled that they had the opportunity to actually see their sons in person. Both sons will be coming home to visit their families and friends later in May, and both sons are expected by their mothers to attend at least one BODY-PUMP class.

WELCOME HOME!
